FOIA: 13-HQ-F-00519

Dear Mr. Morisy:

This is an acknowledgement to your Freedom of Information Act (FOIA) request dated April 7, 2013, and received April 8, 2013, at the NASA Headquarters FOIA Office. Your request was assigned FOIA Case Number 13-HQ-F-00519 and was for:

A copy of all emails, memos, correspondence and other documents relating to:

- 1) the decision to take NTRS offline (see below for a descriptive article on this situation).
- 2) plans/processes/procedures/timelines for restoring this database for public use.
- 3) difficulties in conducting the review process.
- 4) current status of the review process.
- 5) Communications between NASA and Rep. Frank Wolf (R-VA) regarding NTRS and the public posting of other NASA technical materials.

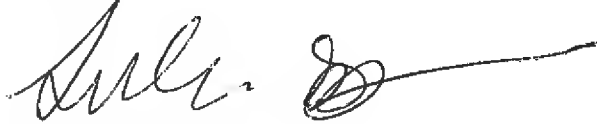

I limit my request to documents generated between March 1, 2012, and the date that this request is processed.

Since we must search for and collect documents from offices other than the office processing the request, we are availing ourselves of the 10 working day extension of response time provided in the NASA FOIA regulations (14 CFR § 1206.101 (f)(1)). Issues concerning processing, fees, fee status, clarification of requests, etc., will be addressed under a separate letter.

We will send a final reply to you on or before May 20, 2013.

Please contact Lubna Shirazi at 202-358-2034 or Lubna.M.Shirazi@nasa.gov if you require further assistance.

Sincerely,
